## INTRODUCTION TO Equine Dentistry

**March 4th - 9th, 2024**

**SIX DAY INTENSIVE WORKSHOP in EQUINE  
DENTISTRY and SURGERY at EVDS, Grafton NSW**

**Change of format for 2024**

**30 PLACES AVAILABLE FOR ONE-ONLY EXCLUSIVE EVENT**

Horse owners demand high quality dentistry at affordable prices for their horses, and we can teach you how to deliver it! We know the art, science and marketing of equine dentistry intimately!

- Having hosted over 1000 equine vets over the past 21 years at our training workshops, the EVDS teaching team (10-11 tutors for 30 registrants) is absolutely dedicated to ensure that every vet who attends our 6 day workshop returns to their practice confident and competent to go out and perform quality routine dentistry – bread and butter work which will return good results and happy clients.
- Our **proven** combination of lectures, dry labs, and practical sessions on cadavers as well as live horses, allows your knowledge and confidence to grow over the six days, and this reinforced knowledge and new skills **WILL** stay with you.
- The last two days are spent working entirely on live horses where you are **GUARANTEED** to use different sedation protocols, systematically examine 9-12 live horse mouths, perform nerve blocks, extract wolf teeth, do performance floats using hand tools and power floats, perform "bit seats", complete dental charts, and communicate and explain pathology to the owners - who will appreciate your efforts and attendance at the workshop.

**98% of registrants have rated this course "very good value for \$\$.**

### REGISTRATIONS

**Registration fee: \$9,346.70 incl. GST**

Registration fee includes notes, day meals, and some sponsored dinners.

**EARLY BIRD DISCOUNTS:** \$770 inc GST if paid prior to June 30th, 2023 OR \$440 inc GST if paid prior to Dec 31st, 2023
